SANGEET

Wear something that sparkles, shimmers or catches the light.

Sequins, metallic accents, crystals, satin, fringe, feathers, anything festive. Choose colours you love, wear shoes you can dance in.

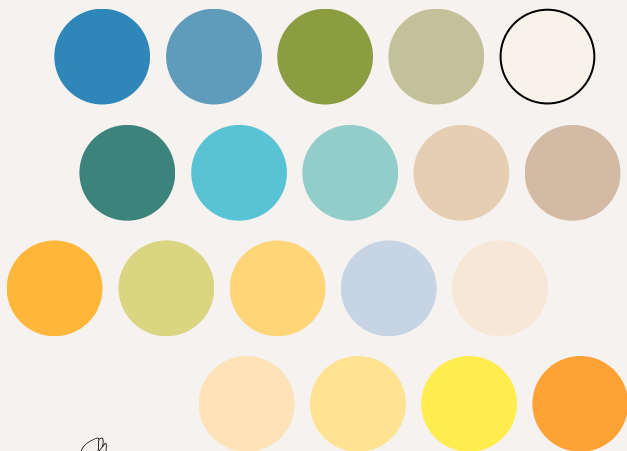

DRESS TO DANCE, NOT TO SIT.

WEDDING

Inspired by the quiet beauty of the morning and the colours of nature, we invite you to dress in calming shades of blue, green, orange and beige.

Think flowing silhouettes, timeless Indian wear and light, elegant fabrics that feel as effortless as the morning itself.

TRADITIONAL INDIAN ETHNIC

RECEPTION

Imagine you're dressing for the *Met Gala* and this year's theme is **Art**.

This is your invitation to be bold, expressive and unapologetically yourself.

Experiment with silhouettes, textures, colours, prints, tailoring or draping that you've always wanted to wear. Whether your inspiration comes from a painting, a sculpture, an artist or simply your own creativity,

Let your outfit become a *work of art*. There are no rules, no colour palette, just self-expression.

***Above all, your presence means
the most to us.***

*Wear any outfit you love, but
don't forget your most valuable
jewellery, your smile and a happy
heart!*
